Hi Tina,

Attached is my PowerPoint presentation (as a pdf file because PowerPoint is too large to email) for Wednesday morning. I will bring a jump drive if you have a computer and projector we can use or just go over hard copies.

Please let me know that you have received. I will plan to see you about 9:45 am at your office.

Thanks, Todd

Hey Todd,

Wanted to touch base with you to see when you thought you would have your materials ready for next week's presentation to EPA? Would you have things ready to share by Monday?

Thanks for the update.

Tina
